COMMUNICATION

February 20, 2017

Featured Pic: The Medical Group is spending the month of February letting coworkers know they are appreciated a 'latte'. The team from Primary Care - Chenal participated in this event and enjoyed coffee, hot chocolate and all the fixings.

New on OneSpiritBlog.com

Infirmiry PICC Team Learns New Technique to Enhance Patient Safety

The Infirmiry PICC (Peripherally Inserted Central Catheter) team met a new goal in February by completing Internal Jugular (IJ) insertion training.

Volunteers Needed for Marathon: March 3-4

Join the team of coworkers and doctors who are giving time to support the upcoming Little Rock Marathon. We need multiple volunteers for the "expo" event on Friday and Saturday.

Visit onespiritblog.com for info on how to sign up.

Welcome Dr. Heather Owens as OB/GYN

The Medical Group welcomes Heather Owens, MD, as the newest member of the CHI St. Vincent Women's Clinic in Little Rock.

Great Catches - January 2017

Take time to read about these Great Catches and coworkers who intervened to prevent harm, or potential harm, to patients. Visit the [Insider](#) to read these stories

Hot Springs Celebrates Improved Engagement Scores

The Hot Springs Patient Care Leadership team recently celebrated coworker engagement with smoothies. The RN satisfaction survey showed improvement in all 15 categories over prior fiscal year.

North Honors Coworkers for Perfect Attendance (pictured above)

North recently held a celebration to recognize coworkers who achieved perfect attendance in 2016. The North leadership team honored these reliable and consistent team members with breakfast, a certificate of accomplishment and a gift of appreciation. Visit onespiritblog.com to see pictures.

Infirmiry Coworkers Spread Love on Valentine's Day

Infirmiry Coworkers on 7 East Oncology, New Outlook and other interdisciplinary team members, took time to spread some love this Valentine's Day by visiting patients. They even passed out teddy bears as part of a Valentine's Day celebration.

Media

Dr. Oydie Igbokidi with Heart Clinic Arkansas in Hot Springs recently sat down with KATV Channel 7 during a Good Morning Arkansas segment and discussed how heart disease signs and symptoms differ for men and women.

If you missed the segment you can watch it at facebook.com/chistvincent.

Upcoming Healthy Spirit Webinar:

DEPRESSION:
UNDERSTANDING THE FACTS

Depression is one of the most common, and most serious, mental disorders facing our society today. We will cover what it is, the risk factors and symptoms, and some of the therapies and treatments available for depression.

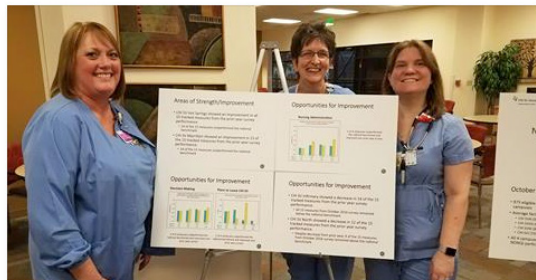

Webinar available beginning March 3

Each webinar completed, earns \$25 towards your Health Account Contribution

Social Highlight of the Week

The Hot Springs Patient Care Leadership team celebrated higher coworker engagement scores by serving smoothies! The RN satisfaction survey showed improvement in all 15 categories over the prior year. #CHILivingOurMission

Hot Springs Celebrates Improved Engagement Scores
This reflects an improvement in the patient care services work environment which is achieved by a combined effort from all hospital coworkers.
