Emergency Codes to be Updated Nov. 13

CHI St. Vincent will update its emergency codes Nov. 13. The new codes will use plain language and will eliminate the need for most color codes. In early November, leaders will distribute new coworker badges with updated codes. New emergency red books will also be distributed in early November.

The new codes will allow coworkers to communicate easier in an emergency. Some color codes will remain, including Code Red for fire, Code Blue for cardiac arrest and Code Gold to return a patient to their bed. *A required LEARN module has been assigned with a Nov. 13 completion deadline.*

Enter Your Decorated Pumpkins to be Showcased at Forums

All units are invited to decorate a pumpkin to be showcased at the upcoming OneSpirit forums. Coworkers will vote for their favorite pumpkins at the forums. First and second prizes will be awarded at each hospital.

Each unit will provide their own pumpkins and decorating material; one pumpkin may be entered per unit. Pumpkins will be displayed throughout the forums. **Carved pumpkins will not be accepted.** For campus specific drop off times, please visit onespiritblog.com.

Coworker Forums Begin Oct. 29!

Make plans to attend one of the upcoming coworker forums that begin next week across our hospitals and clinics. The forum schedule is posted on the second page of this newsletter and is also available on onespiritblog.com.

Wellness Wednesday Walk Scheduled for Oct. 25

Join the Healthy Spirit team from 11am-12:30pm for the first Wellness Wednesday Walk. The walk will begin in the lobby at each hospital.

Goody bags will be given away to the first 150 coworkers at the Infirmery & Hot Springs and the first 50 coworkers at Morrilton & North.

NOVEMBER COWORKER FORUMS

Updated 10/13/17

Come to the next coworker forums led by facility leadership.
