10 Reasons to Contact the Employee Assistance Program

Sometimes, we need a little help reaching our full potential. Take a moment to reflect

on your life and the obstacles that may be holding you back from reaching your goals. Maybe you're having trouble paying off student loans or credit card debt, having relationship difficulties with a spouse or family member, or dealing with high levels of stress. Whatever the challenge, our Employee Assistance Program (EAP) can help. To connect with a counselor, call 877-679-3819 or visit their website. Counseling sessions are completely confidential, and the first five sessions are covered at no cost to you.
