Must-Know

Coworker Survey Participation Celebration Dates Announced

Open, honest communication and feedback is a key ingredient to continued improvement. That's why our recent coworker survey participation numbers are something to celebrate! As a system, we had one of the highest levels of participation across all of CHI and we think that is something to be proud of! Go to onespiritblog.com for a list of planned celebrations across our ministry.

Well-Being

July is Parks & Recreation Month

This month, make it a goal to go outside and walk around your local city park. Looking to take advantage of a local national park? Go to Hot Springs! Hot Springs National Park is a unique combination of urban and natural landscapes that was established all the way back in 1832. You could hike on 26 miles of trails, camp near Gulpha Creek, or stroll the historic downtown & enjoy drinking from the water fountains that are fed by the natural springs.

Hot Springs Doctors Selected as "Reader's Choice"

We know our physicians are incredible and worthy of recognition, but it's nice to see people in the community recognize them as well. Congratulations to Dr. Greg Whorton and Dr. David Slay for being selected as Reader's Choice Award recipients by the *Hot Springs Sentinel Record*.

We'll be sharing how together we're improving our health ministry and celebrate major milestones in our Living Our Mission journey.

Plus, we'll answer any questions you might have about work underway to come together with Dignity Health.

Can you feel the momentum as our journey continues to become a great place to work and practice medicine? The forums will showcase that energy!
