Brenda Duncan Receives Hot Springs DAISY Award

"Brenda took excellent care of me after I got out of surgery recover. She showed me she cared and explained things so that it was very easy for me to understand. She worked extremely hard and quickly because she knew I was ready and anxious to go home. Brenda truly went above and beyond. I've never had a nurse care for me and show me as much care as she did. She is very deserving of this award. I hope my words are adequate to explain how special she is."
