## Well-Being

### Well-Being Hub Opens in Downtown Hot Springs

The CHI St. Vincent Well-being Hub is the newest addition to downtown Hot Springs. A storefront next to the Arlington Hotel, is our way of being involved in the revitalization of downtown Hot Springs and getting to know the community when they feel well, not just when they are sick. The hub also features a local artist gallery section. The first artist installation includes a colorful array of canvas mounted landscape and floral photos from Gareth Patterson, a marketing department coworker.
