Well-being Day: Heritage Edition

Harken back to the 1880s, and you'll learn about how lucky we are to be living 130 years later. We take a lot for granted and can also be grateful for our options these days.

Take this quick quiz about facts from "back in the days" when the Sisters founded our ministries.

This citrus from California is first shipped East to enjoy. _____

Music would never be the same after this "slot machine" appears in bars and restaurants. _____

The first modern stovetop percolator for this piping-hot drink is patented. _____

This appliance was created and eventually its founding company became KitchenAid. _____
