

MyVoice Employee Experience Survey 2023

Here are highlights of ministry-wide results from our 2023 survey, conducted May 2-25.

About MyVoice

Our value of Compassion calls CommonSpirit Health to listen and act with empathy and love. This is why we ask employees to complete our **MyVoice** Surveys. Your feedback tells us where we're strong and what we can do better together to advance a mission-driven, high-performance culture.

86%
of employees responded.

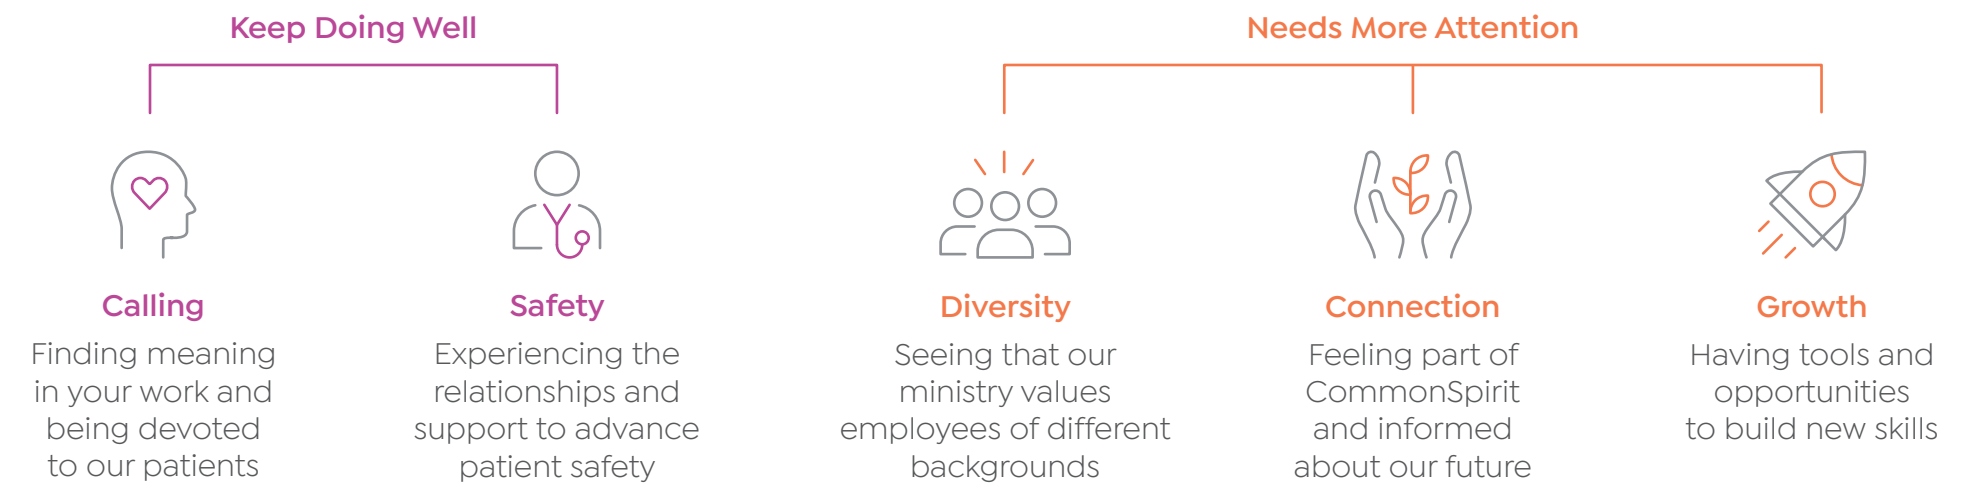

Thank you to the 92,301 employees who made their voices heard.

3 out of 4
employees feel highly engaged.

This is our strongest engagement to date, meaning many more employees than in the past are satisfied, are willing to recommend us and intend to stay.

Key takeaways

You said these five areas greatly influence your confidence in, and commitment to, CommonSpirit. Some are strengths to build on, while others may need more focus.

What's next?

Across CommonSpirit, leaders and teams are reviewing survey findings and putting culture improvement plans in place. Watch for more information in the future about our efforts. Your feedback guides us as we work together to live our values, further the common good and advance a healthier future for all.
